# We Make It:

Direct Supply | Support | Solutions

MANUFACTURING POWER  
NOW YOURS!

Our premier product line consists of the **OMCO CHOICE®** Fixed Tilt Mounting System, **OMCO ORIGIN™** Factory-Direct Trackers (One-In-Portrait and Two-In-Landscape Bifacial), and **OMCO Foundations** including the low cost, U.S.-made **OMCO C Pile**.

## A Stable, Bankable Supplier

- Over 69 years of solid financial performance as a steel fabricator (founded in 1955) with the experience to ensure continuous steel availability at exceptional pricing, even in times of economic uncertainty
- Over 10.5 GW of solar mounting expertise
- Over 700,000 square feet of manufacturing space
- National manufacturing footprint (6 plants) to provide more competitive freight costs and faster lead times
- Collaborative, focused engineering mindset
- In-house engineering department
- Largest custom roll-former in North America
- World leader in development & manufacturing of sophisticated roll-formed products
- Diversified customer base specializing in markets such as utility-scale solar, transportation, material handling, HVAC & more

OMCO's **MANUFACTURING POWER** is now yours with direct supply, support, and solutions. Our support ecosystem is driven to meet the strict quality standards of your solar projects while ensuring the shortest lead times.

- Direct Supply means **ACCESS** to the largest U.S. manufacturing network. **6** OMCO manufacturing plants nationwide!
- Direct Support means **RAPID** response and **FIRST-RATE** customer service.
- Direct Solutions means **ENGINEERING** range and advancement for every unique project scale.
