

MANUFACTURING POWER
NOW YOURS!

OMCO SOLAR[®]
A MACLEAN-FOGG COMPANY

WE MAKE IT:

Direct Supply | Support | Solutions

OMCO Solar[®], a MacLean-Fogg Company, is your one-source partner, combining direct supply, high domestic content, competitive pricing, expert support, and industry-leading responsiveness.

As the supplier and manufacturer, we ensure logistics savings, fast lead times, and customization to meet site-specific and customer requirements. Our nationwide manufacturing footprint and direct product interaction delivers unmatched value for all modules and solar project complexities.

DIRECT SUPPLY

Access to the largest U.S. solar tracker manufacturing network, featuring 5 OMCO plants nationwide.

DIRECT SUPPORT

Rapid response, fast lead times, and first-rate customer service.

DIRECT SOLUTIONS

Engineering range and advancement for every unique project scale.
